EC-CERTIFICATE OF CONFORMITY

0958 – CPD – GB003/1

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

TRESPA METEON FR

High-pressure decorative laminate (HPL) for external finishes

put on the market and produced by

TRESPA International B.V.
Wetering 20
6002 SM WEERT (NL)

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the approved body INTRON Certificatie B.V. (identification number 0958) has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

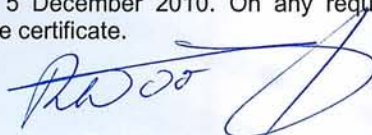

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

NEN-EN 438-7:2005

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 5 December 2005 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly, and latest on 5 December 2010. On any request INTRON Certificatie B.V. will give information about the validity of the certificate.
